# POLICY AMENDMENT NO. 1

JUDO MARKETING · Effective Date: 08/05/2026

This Amendment modifies the Judo Marketing policies dated 07/06/2026 to reflect Judo Marketing's twelve-month subscription model. Where this Amendment conflicts with any policy, proposal, or prior document, this Amendment controls. All other terms remain in full force.

## 1. Website and Domain Ownership (replaces Terms and Conditions §10 and Subscription and Website Ownership Policy §5)

For monthly website and application subscription plans, Judo Marketing retains ownership and administrative control of the website code, design, portals, hosting configuration, and domain during the first twelve (12) months of service.

Ownership transfer becomes available only when all of the following conditions are satisfied: (1) the client has completed twelve (12) full monthly subscription payments; (2) the account has no unpaid invoices, chargebacks, disputes, or outstanding balances; (3) the client has complied with Judo Marketing's policies and any applicable service agreement; and (4) any third-party transfer fees, registrar fees, hosting fees, or platform fees required for transfer have been paid.

If the client decides to end the service after the twelve-month term, the client may request delivery of the domain and website code by submitting a formal written request through the contact page at [www.judomarketing.net](http://www.judomarketing.net) or by email to [admin@judomarketing.net](mailto:admin@judomarketing.net). Transfers are subject to registrar rules, lock periods, verification requirements, and third-party fees. Any reference in any policy to ownership transfer "after the third month" is replaced by this twelve-month rule.

## 2. Suspension Page (supplements Terms and Conditions §14)

If an account becomes past due, Judo Marketing may temporarily disable the client's website and display a neutral suspension page stating that the site is temporarily disabled. The suspension page is identified with Judo Marketing branding and a link to [www.judomarketing.net](http://www.judomarketing.net) and contains no advertising. The client expressly authorizes the display of this suspension page. Service is restored promptly once the account is current. Judo Marketing does not charge late fees or non-payment penalties; suspension is the only consequence of a past-due account.

## 3. 30-Day Delivery Guarantee (supplements Refund and Cancellation Policy §2)

If Judo Marketing fails to deliver the client's initial website or agreed project within thirty (30) days after receiving all required client materials, information, access, and approvals, the client may request a full refund of the first subscription payment. This Delivery Guarantee is the only exception to the general no-refund rule. It does not apply to delays caused by the client, incomplete client materials, third-party platforms, or scope changes requested after the project started.

## 4. Client Communication Channel

The client's primary point of contact is the assigned Judo Marketing representative. Clients who wish to communicate directly with administration may do so through the contact page at [www.judomarketing.net](http://www.judomarketing.net). Formal requests (cancellation, ownership transfer, billing disputes) must be submitted in writing to [admin@judomarketing.net](mailto:admin@judomarketing.net).
